Wednesday, July 1 B,L

We're off to **Napa Valley** for wine tasting, fun, and adventure. Our hotel for the next two nights will be the **Napa River Inn**, a first-class hotel right on the Napa River and next to shopping, restaurants, and activities. First stop will be **COPIA**, The American Center for Wine, Food and the Arts. We'll enjoy a tour, wine tasting, and lunch. Next stop will be a tour of the world renowned Robert Mondavi Winery – and tasting, of course! This evening enjoy dinner on your own.

Thursday, July 2 B,L

Early start this morning for a **hot air balloon ride** across the Napa Valley at sunrise. A superb champagne brunch celebration follows our flight. Then we're off for more wine tasting. We'll visit 4-6 wineries, depending on time and enjoy a picnic lunch at one of our stops.

This morning is free to do as we please. Enjoy the spa; get in a little last minute shopping before we transfer to the Sea Princess for our Alaskan cruise.

Sunday, July 5 B,L,D

Another full day at sea. Ahhh!

Monday, July 6 B,L,D

Ketchikan, Alaska. This southern-most Alaskan port city is known as Alaska's First City because it was the first major community travelers came to heading north. Founded as a fishing camp, Ketchikan is built on steep hillsides and is billed as the salmon capital of the world. A quaint village, the town is just three miles long and three blocks wide.

Tuesday, July 7 B,L,D

Haines, Alaska. Cradled at the base of the Chilkat Peninsula, this picturesque town of Haines is located on America's longest fjord and boasts the largest annual gathering of American bald eagles. Home of the Tlingit people, this area was settled and renamed by missionaries in the late 1800s.

Wednesday, July 8 B,L,D

Juneau, Alaska. Perched on a thin strip of land at the mouth of Gold Creek, Juneau is arguably one of America's most beautiful state capitals, with the looming summits of Mt. Juneau and Mt. Roberts providing a gorgeous backdrop.

Thursday, July 9 B,L,D

Tracy Arm Fjord. Located 50 miles southeast of Juneau, this spectacular glacier-carved fjord has sheer vertical walls that clearly showcase nature's artistry. Linger in this magical place to watch blocks of ice calving off the glaciers towering faces.

Friday, July 10 B,L,D

A sea day to relax and enjoy the magnificent scenery of this wonderful land.

Saturday, July 11 B,L,D

Victoria, British Columbia. Once a British colonial post, Victoria is full of historic sites, public parks and groomed gardens. Due to its location, this quaint yet sophisticated little seaside city boasts the mildest climate in Canada.
