Seven Wonders Club Solos Expedition
December 29, 2008 – January 9, 2009
Escorted by Terri Glenn

Monday, December 29

Arrive Miami, transfer on own to Royal Palm Hotel. Private welcome reception for Seven Wonders Solos.

Tuesday, December 30

We'll tour Everglades National Park via airboats! After seeing the alligators, crocodiles, birds of prey, and learning the history of this priceless ecological treasure, we'll transfer to the Emerald Princess. Bon voyage!

Wednesday, December 31

Princess Cays, a private island owned by Princess Cruise Lines for a beach party. Tonight, kick up our heels for a grand New Year's Eve celebration!

Thursday, January 1

At sea – thank goodness! We'll need to sleep in after last night. Even if we don't party too hearty – what an absolutely ideal way to greet a New Year.

Friday, January 2

St. Thomas. It's the calm turquoise waters of the Caribbean that command attention in St. Thomas -- home to both pirates' legends and tropical fish for centuries. And there's no shortage of ways to explore the island.

Excellent duty-free markets make it one of the best places in the Caribbean to shop for local handicrafts and goods from around the world.

Saturday, January 3

St. Kitts. This Caribbean island is covered by a lush tropical forest, with the mist-enshrouded Mount Liamuiga at its center. St. Kitts is part of a tiny two-island independent state with Nevis, and natural preservation here is paramount as their law states no building may be taller than the surrounding palm trees.

Sunday, January 4

Barbados. A spectacular Caribbean getaway with plenty of British appeal and where cricket is still the national pastime. This tropical island nation offers awesome natural wonders, a fascinating and diverse history, and duty-free shopping beyond compare.

Monday, January 5

St. Lucia. The island of St. Lucia has dramatic coastlines that frame a setting of tranquility and natural beauty. Its people pride themselves in the care of their natural resources, which makes this an ideal environment for outdoor enthusiasts. Thriving coral reefs provide ample snorkeling and diving opportunities while the mountainous rain forest preserves offer superb hiking and bird watching.

Tuesday, January 6

Antigua. The coral reef that thwarted enemy ships is now a diver's paradise. The winding coastline, once difficult to navigate, is now miles of sandy, secluded beaches and coves. On shore and off, Antigua is one of the Caribbean's best islands for spectacular sand-and-sun fun.

Wednesday/Thursday, January 7-8

Sea days! Relax and enjoy.

Friday, January 9

Ft. Lauderdale. Time to say goodbye. Transfer to Miami airport.
