Stockholm is a city of 14 islands linked by boats and graceful bridges. Its history stretches seven centuries, and it is Sweden's center of art and culture. It is also famous for being the home of the Nobel Prize.

Thursday, June 18 B,L,D

Helsinki is the center of Finnish commerce and culture, as well as the nation's capital. The skyline features a dramatic blend of classical architecture and clean modernism, with Russian and Swedish influences throughout. Much more than, simply, the nation where saunas originated, Finland -- Helsinki in particular -- delight visitors with a vital sense of heritage as well as enthusiasm.

Fri-Sat, June 19-20 B,L,D

We'll overnight in St. Petersburg and have two full days to see this amazing city. Situated at the confluence of the Gulf of Finland and the mighty Neva River, this former imperial capital fascinates visitors with its strong European influences, grand residences, world-renown museums and extraordinary monuments to a glittering past gone by. With its elegant palace-lined waterways, gilded and domed skyline, and grand boulevards where Czars once traveled in golden carriages, the majestic city of St. Petersburg well-deserves its nickname as the "Empress of the Baltic."

An English-speaking guide will escort us throughout the city on a private tour for Seven Wonders Solos. Two full days of sightseeing are included, as well as a folklore show on Friday night. We'll see Nevsky Prospekt, the main street full of cathedrals and boutiques, the National Library, the imposing Kazan Cathedral and the Square of Arts. The Hermitage's Winter Palace, the Admiralty and its golden spire, Theatre Square with the famous Mariinsky Theatre, and St. Nicholas Cathedral will be part of this introduction.

We will take a hydrofoil along the Neva to Peterhof for a visit of Fountain Park, often called the Russian Versailles. We will also see the Summer Gardens and the log cabin of Peter the Great. The lavish imperial palaces of Tsarskoe Selo, the Tsar's Village, and Catherine's Palace, which houses the famous Amber Room, are included.

We will have a special, early entry to the Hermitage and the Gold Room and will go to one of the most stirring monuments called the Church of the Spilled Blood, also called Church of the Resurrection of Christ. Lunch will be provided both days.

Sunday, June 21 B,L,D

The beautiful capital city of Tallinn is one of the Baltic's great surprises, a fairyland jewel of medieval architecture perched dramatically above the sea. In 1991, Estonia won its independence from the Soviet Union without bloodshed, and since then, Tallinn has succeeded in restoring its beauty and charm. A

Gdansk was once Poland's chief trading hub as well as its cultural center. 90% of the city was destroyed during World War II, but its architectural gems have been restored in great detail, reserving its place in history.
